

Japan-NER Academia-Industry Technology Cooperation Symposium 2026 under IITG-Gifu U JDP platform

9th-10th March 2026

Venue: Indian Institute of Technology Guwahati

IITG, India and Gifu University, Japan have been implementing International Joint Degree Programs (JDPs) in Food Science and Technology (M. Tech and PhD) and Integrated Mechanical Engineering (PhD). The symposium aims to deliver a concept of how rural and NER development is accelerated by international collaborative education covering essential technical areas needed for social transition.

9th (Mon) and 10th (Tue) March

1

Roundtable on Indo-Japan collaboration (Hybrid mode)
Inter-University/Research Institute, and Inter-Industry

2

Technical session

Challenge for cyber physical manufacturing
Life-science and chemistry for well-being
Biotechnology for food security

3

Company showcasing and students' interaction / campus tour

(Option) 11th March (Wed) Factory tour (Bioethanol plant in Assam, and others)

<Remarks>

Accommodation: IITG on-campus Guest House

Symposium fee package (including symposium participation, facility visit and networking meetings etc) will be asked for each participant.
