Contact for Inquiries

Please call (ext. ####) or send an email to ask about the campus LAN. If you cannot figure out how to connect to the LAN, please come to the Information Management Core (you can bring your own portable terminals, etc.)

If you send an email, please use the address given from Gifu University.

IMC staffers only deal with questions about emails given from Gifu University to each student, and do not respond to any other email-related questions (such as mobile phones, providers, etc.).

Extension Number: #2041
