

Course
Description

This is a specialized program that provides English language and communication skills to third and fourth-year undergraduate students, as well as graduate students, who are majoring in science and engineering fields and require English language and communication strategies for working, studying and researching in academic or professional settings.

Authentic, academically related texts from a range of science and technology-related disciplines.

This course consists of 19 English for Science and Technology classes held on Monday to Friday from 0830 to 1230. Learn Canadian Culture through a variety of afternoon activities both indoor and outdoor in and around the capital city of Edmonton, Alberta.

Dates

March Term February 27 to March 22, 2024

July Term July 2 to July 26, 2024

August Term August 6 to August 30, 2024

Closed Cohorts are possible with a minimum of 12 participants from January to July. Contact the English Language School for details.

Registration Deadline

Completed name list must be received no later than three months prior to the start of the term.

Payment Deadline

Payment by invoice is required one week prior to the start of the term.
