

Gifu University GILP Symposium 2023

A lecture series on: Food Supply Chain, Disaster Management & Mechanical Engineering

Invited lectures by:

Prof. Sougata Karmakar
Department of Design

Prof. Lingaraj Sahoo
Department of Biosciences and
Bioengineering

Dr. Omkar S. Deshmukh
Department of Chemical
Engineering

Dr. R. Anandalakshmi
Department of Chemical
Engineering

Prof. Subramani Kanagaraj
Department of Mechanical
Engineering

Dr. Rinku Kumar Mittal
Department of Mechanical
Engineering

Dr. Sajan Kapil
Department of Mechanical
Engineering

Prof. Shyamanta M. Hazarika
Department of Mechanical
Engineering

Dr. Prasenjit Khanikar
Department of Mechanical
Engineering

9th & 10th March, 2023

13:30-18:30 (JST)

10:00-15:00 (IST)

The GILP (Global Innovative Leaders Program) Club at Gifu University will play a vital role in promoting research collaboration between students and researchers at the Indian Institute of Technology Guwahati (IITG), the National University of Malaysia (UKM), and Gifu University. The club plans to host an international symposium this year to bring together researchers, academics, and students to share their knowledge and insights on the latest research trends in Disaster Management, Food Supply Chain, and Mechanical Engineering through a series of lectures. The symposium will provide a platform for participants to learn, network, and explore new opportunities for collaboration.

We invite you to join us for this exciting event and look forward to your participation. The symposium will be held virtually, providing participants with the opportunity to attend from anywhere in the world.

We are pleased to announce that distinguished speakers from the Indian Institute of Technology Guwahati (IITG), India, will be sharing their expertise and insights.
