

# Japan-NER Academia-Industry Technology Cooperation Symposium 2025 under IITG-Gifu U JDP platform

## 3rd-4th March 2025

Venue: Indian institute of Technology Guwahati

IITG, India and Gifu University, Japan have been implementing International Joint Degree Programs (JDPs) in Food Science and Technology (M. Tech and PhD) and Integrated Mechanical Engineering (PhD). The symposium aims to deliver a concept of how rural and NER development is accelerated by international collaborative education covering essential technical areas needed for social transition.

### 3rd (Mon) and 4th (Tue) March

- 1 Roundtable on Indo-Japan collaboration (Hybrid mode)**  
Inter-University/Research Institute, and Inter-Industry
- 2 Technical session**  
Skilling for rural and NER development  
Mechanical Eng and Data Science  
Bio/food Technology and Data Science
- 3 Company showcasing and students' interaction / campus tour**

**(Option) 5th March (Wed) Factory tour (Bioethanol plant in Assam, and others)**

#### <Remarks>

Accommodation: IITG on-campus Guest House

Symposium fee package (including symposium participation, facility visit and networking meetings etc) will be asked for each participant.
