

Academic staffs for International joint Department of Integrated Mechanical Engineering between Indian
Institute of Technology Guwahati and Gifu University

and

Academic staffs for International Joint Department of Materials Science and Engineering between
National University of Malaysia and Gifu University

[Gifu University]

Name	Faculty	Department/Courses	Academic Appointment
Tetsuji KUME	Engineering	Department of Electrical, Electronic and Computer Engineering Electrical and Electronic course	Professor
Yoshinori ITAYA	Engineering	Department of Mechanical Engineering Mechanical Engineering course	Professor
Satoshi ITOH	Engineering	Department of Mechanical Engineering Intelligent Mechanical Engineering course	Professor
Takashi ITOH	Engineering	Department of Electrical, Electronic and Computer Engineering Electrical and Electronic course	Professor
Yoshihiko UEMATSU	Engineering	Department of Mechanical Engineering Mechanical Engineering course	Professor
Daohong WANG	Engineering	Department of Electrical, Electronic and Computer Engineering Electrical and Electronic course	Professor
Shinji KAMBARA	Engineering	Department of Chemistry and Biomolecular Science Materials Chemistry course	Professor
Masaharu KOMIYAMA	Engineering	Department of Mechanical Engineering Mechanical Engineering course	Professor
Minoru SASAKI	Engineering	Department of Mechanical Engineering Intelligent Mechanical Engineering course	Professor
Shuhei TAKAHASHI	Engineering	Department of Mechanical Engineering Mechanical Engineering course	Professor
Nobusuke KOBAYASHI	Engineering	Department of Mechanical Engineering Mechanical Engineering course	Associate Professor
Yasuhiro TAKAHASHI	Engineering	Department of Electrical, Electronic and Computer Engineering Electrical and Electronic course	Associate Professor
Kaori ANDO	Engineering	Department of Chemistry and Biomolecular Science Biomolecular Science course	Professor
Shigeyuki UEMIYA	Engineering	Department of Chemistry and Biomolecular Science Materials Chemistry course	Professor
Masahiro EBIHARA	Engineering	Department of Chemistry and Biomolecular Science Materials Chemistry course	Professor
Yutaka OHYA	Engineering	Department of Chemistry and Biomolecular Science Materials Chemistry course	Professor
Shoichi KUTSUMIZU	Engineering	Department of Chemistry and Biomolecular Science Materials Chemistry course	Professor
Mamoru KOKETSU	Engineering	Department of Chemistry and Biomolecular Science Materials Chemistry course	Professor
Mutsuhiro SHIMA	Engineering	Department of Chemistry and Biomolecular Science Materials Chemistry course	Professor
Akiyoshi TAKENO	Engineering	Department of Chemistry and Biomolecular Science Materials Chemistry course	Professor
Takayuki BAN	Engineering	Department of Chemistry and Biomolecular Science Materials Chemistry course	Professor
Toshiaki MURAI	Engineering	Department of Chemistry and Biomolecular Science Biomolecular Science course	Professor
Natsuhisa OKA	Engineering	Department of Chemistry and Biomolecular Science Biomolecular Science course	Associate Professor
Kunihito KATO	Engineering	Department of Electrical, Electronic and Computer Engineering Informatics course	Associate Professor
Takahiro NITTA	Engineering	Department of Electrical, Electronic and Computer Engineering Applied Physics course	Associate Professor
Lee Wah LIM	Engineering	Department of Chemistry and Biomolecular Science Biomolecular Science course	Professor
