# Hands on tour Tajimirukomichi for Foreigners

## Tile factory tour & accessory workshop Make tile accessories at the Nanayosha workshop

**Date: 10/16 (Friday)**

**Time: 10:00-12:00 13:00-15:00**

\*Please contact us about other times and dates.

**Venue: Nanayosha, Suzuki tile store**  
8-106 Takatacho, Tajimi City, Gifu Prefecture 5070018  
**Price: 3,000 yen / 1 person**  
**Participants: 6 people Minimum group size: 2 people**

We invite you to the very first English program of a long-established company, "Nanayosha"! You will make your own copies of our best-selling original earrings "Watagumo Hanabi (Fleecy clouds Fireworks)", as well as your own original earrings. No previous experience required - we will provide you with as much help as you may need. We will also demonstrate a rare tile press manufacturing process using a curved press. When you learn about the technology and culture of Mino ware tile, you'll be sure to love the accessories that you make.

### Notes:

Available metal fittings: "Watagumo Hanabi (Fleecy clouds Fireworks)": Earrings for pierced ears, clip on earrings, pin badges  
Original designs: Earrings for pierced ears, clip on earrings, pin badges, brooches  
Additional items: If time allows, one pair (additional fee 1,000 yen)  
Please come in clothes that can be soiled, or bring your apron.

### Instructor:

Staff from Nanayosha, Suzuki tile store

Nanayosha is a Mino ware tile store founded in 1948.  
Our main business is to make decorative Mino ware tiles for buildings.  
Based on this decorative technology we've expanded into the production and sale of tile jewelry.

### Reservations:

## 1 Create a scented pottery piece!

### Make your own aroma stone

**Date: 10/18 (Sun) 11/1 (Sun)**

**11/15 (Sun) 12/5 (Sat)**

**Time: 10:30-11:30** \*Please contact us about other times and dates.

**Venue: 5 Kobeigama Sakutoukan (Pottery Workshop studio)**  
4-30-2 Ichinokura-cho, Tajimi City, Gifu Prefecture, 5070814  
**Price: 1,500 yen / 1 person Participants: 1 group per event**

Add a few drops of essential oils, a piece of pottery emitting a pleasant fragrance can improve your home environment. Many look for a way to relax when they spend lots of time at home. In this event you will make your own unglazed aroma stone. Let your imagination play as you knead the clay, wondering how to shape it. Make 1-5 aroma stones (depending on size) from 200g of clay. We also have a course including lunch and essential oils.

### Notes:

★ Course with lunch at "Ishigama Pizza Moon" (+¥1,500) ★ Course includes one bottle of naturally grown hinoki cypress essential oil (+¥1,600) ★ Course includes material for making 1-5 pieces (depending on size)  
Examples: 1 ornament or 1 to 3 objects or 5 cookie-shaped pieces. ★ The finished product we deliver will be unglazed pottery. Please note that unglazed pottery cracks more easily and chips are more likely to occur compared to other pottery.  
★ The oil may cause stains. ★ Your pieces will be finished and handed over approximately one month after the event.  
We will contact you by phone as soon as the product is finished. ★ Delivery You may pick up your work at the museum, or we will ship it to you (shipping fee approx. ¥1,100). ★ Dress Please come in clothes that can be soiled, or bring your apron.

## 2 A bright idea for your home

### Lighten up your home with your hand-made house-shaped candle cover!

**Date: 11/3 (Tue)**

**11/21 (Sat) 11/23 (Mon)**

**Time: 10:30-11:30**

\*Please contact us about other times and dates.

**Venue: 5 Kobeigama Sakutoukan (Pottery Workshop studio)**  
4-30-2 Ichinokura-cho, Tajimi City, Gifu Prefecture, 5070814  
**Price: 2,500 yen / 1 person Participants: 1 group per event**

Make a ceramic house-shaped candle cover to serve as a delightful daytime decoration, and relax your mind with its soft flickering light at night. Starting with a cylindrical clay you'll carve out windows and doors and paste a roof and chimney. Never tried pottery before? No need to worry! We'll help you whenever you need it. You'll also be able to enjoy lunch at the "Ishigama (Stone Kiln) Pizza Moon" restaurant. This course costs an additional ¥1,500.

### Notes:

★ The course includes one house-shaped candle cover ★ You will choose between one of three types of shaped clay:  
• Square pillar 1 (8 cm length x 8 cm width x 12 cm height) • Square pillar 2 (5 cm length x 10 cm width x 12 cm height)  
• Cylinder (9 cm diameter x 12 cm height)  
★ Available types of glaze • Oribe (green) • Kuro Oribe (black) • Ruri-yu (Ruri glaze) (blue) • Blue ash glaze (light blue)  
• Kisetu (ocher) • Ame-yu (brown) • Hai-gusuri (Ash glaze) (transparent)  
★ Your work will be ready in about 2 months. We will contact you by phone as soon as it is ready.  
★ Delivery You may pick up your work at the museum, or we will ship it to you (shipping fee approx. ¥1,100).  
★ Dress Please come in clothes that can be soiled, or bring your apron.  
★ Damage You will make a piece of pottery. Please be aware that there is a possibility of damage or breakage due to firing.

### Instructor: ① & ②

**Mariko Ito**

You will experience working with clay and glaze at the Kobei Kiln, which opened 215 years ago. Our aim is to help everyone enjoy making pottery!
